Issa Kane

has successfully completed the online, non-credit Professional Certificate

Meta Back-End Developer

This 9-course program prepares learners for an entry-level career as a back-end developer.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
